

The Omaha Bachelorette

SEASON 1 APPLICATION

WHAT IS THE OMAHA BACHELORETTE ?

*It's very simple. The Omaha Bachelorette is an "Anti Dating Service". There is only one woman (possibly you) with a public dating profile and your own personal platform on Social Media. **You are in full control of the content.** With a public profile, your friends and family can easily send men to a single online location and they can get to know and contact you for **free**. The Omaha Bachelorette also has sponsors (local businesses) that change from time to time - they too spread the word about you. In the end, you have something that will give you much more individual exposure to men than any online dating service. You literally have a team behind you helping you find the man of your dreams.*

*Though it may not be politically correct to mention, there is one small difference between this and The Omaha Bachelor. In addition to a team that is helping you find the man of your dreams you will also have **a second team** at your disposal that is optional : a team of " big brothers " that you can request to screen potential candidates in person. The reason for this is simple. If you are familiar with the online dating world you will know that women (typically) get WAY more messages than men – also some of these males can be, shall we say " interesting " ? You should not have to deal with that. If you choose this option, it will be creatively worked into your online presence so it is known and that action alone should reduce the number of " interesting " males.*

REQUIREMENTS

- 1) You must be 25 – 35 years of age this year.
- 2) You need to currently live in Omaha (you don't have to be from here).
- 3) You need to have **no** DUI, Assault, or Felony Charges. (background checks will be done)

HOW DOES THIS WORK ?

Send the answers to the questions below to MAIL@RIOmaha.com – the emails will be reviewed and 10 will be selected for a face to face screening / interview.

WILL THERE BE VIDEO EPISODES ?

That is up to you. We live in a time where groups of people make incredible You Tube videos for fun. If your friends and family are up to it, you can create a 5 - 10 minute episode with you as the focus that has the format of a reality show and submit it with the questions below. Be creative. What you make is not necessarily what will be used. If you are selected, others will be available for additional ideas and assistance.

A video is NOT a requirement for this application, but it may give you a better chance of being selected.
